Revised Claims Figures – QLD and VIC

Revised claim figures as at 11 February 2011 for the QLD floods are:

- 43 755 claims received
- \$2.0 billion estimated reserved claims value
- Increase is due to large commercial/industrial and mining claims now being reported
- Insurers have completed 77% of initial claims assessment
- \$201 million has been paid to policyholders already

Revised claim figures as at 11 February 2011 for the VIC floods are:

- 5 590 claims received
- \$67 million estimated reserved claims value
- Insurers have completed 65% of initial claims assessment
